

Dear Parents of Anderson, Sarah :

We are very excited to announce the addition of Pearson SuccessNet to our educational curriculum here at AMERICAN LEADERSHIP ACADEMY HIGH SCHOOL. Pearson SuccessNet offers you the opportunity to look inside your child's day-to-day learning.

How to get started? It's as easy as 123!

Success at school can be a shared learning experience!

As a partner helping your child make the most of learning, Pearson SuccessNet offers the right tools for you and your child. It all begins with a simple login at the web site.

How to access the Web site:

1. Access your Internet browser - (For your reference, Pearson SuccessNet Internet and System Requirements can be found at **<http://knowledgebase.pearsonschool.com/kmp/article/AA-04713>**).
2. Enter the URL (site address) -- **<http://www.pearsonsuccessnet.com>**
3. Then, use the following information to get started in Ms. Willis's Algebra 1 7 - A classroom:

Your child's user name: **SarahAnderson@alastudent**

Your child's password: _____

Note: User name and password are case sensitive

4. Congratulations! You should see your home page.

You will be amazed at how motivated and excited your child will be to share in the interactive learning experiences while studying at home. Watch as your child "teaches" you how to access the resources we utilize in the classroom.

Sincerely yours,

Jaylee Willis

P.S.: If you ever run into technical difficulties, there is a Pearson SuccessNet online help connection to serve you. You can reach them at <http://support.pearsonschool.com>.

4. Congratulations! You should see your home page.

You will be amazed at how motivated and excited your child will be to share in the interactive learning experiences while studying at home. Watch as your child "teaches" you how to access the resources we utilize in the classroom.

Sincerely yours,

Jaylee Willis
